the history of the church; about the roles and responsibilities in the church;
or just want to find out more about God and the Bible.

GREEN TIP

Recycle trainers that are past their best. You or your children may have an old pair of trainers that are falling apart. Drop them off at a [Reuse-a-Shoe](#) collection point in certain Nike stores (all brands are accepted) and they'll enjoy a second life. The materials will be separated and recycled into new clothes, shoes or even playground surfacing.
