**7th DECEMBER at 10am-Noon
BARNHAM CHRISTMAS FARMERS' MARKET**

Christmas wreaths, food, drink, crafts and much more.
Come and join this seasonal event.

GREEN TIPS FOR THE WINTER

Make good use of your central heating programmer so that radiators come in only when you need the heat and go off at the right time. Make sure that you are not wasting energy by checking your settings. Thermostatic radiator valves are also a great idea, but do cost a bit. Using these you can set the temperature you want for each room.
