For more information contact Paula Riley
acklomriley@gmail.com or 07810273009

GREEN TIP

If you find you have to run the tap for a while to get hot water, then why not use the water to fill a small watering can and instead of wasting the water you can water your houseplants. Of course, this is not a good idea if you have a water softener as the salt could damage the plants.

Do you have a concern or are worried about someone? Whether it's regarding someone from church or the wider community, please give me a call or email me, even if you're not sure that it's a safeguarding issue. Please don't hesitate to get in touch. I'm here to listen, offer support where I can and help our communities.
