GREEN TIP

Apparently, the average shower lasts 8 minutes! Most of us can wash ourselves thoroughly in half that time. Save water and fuel with a four minute shower. A shower timer might be a good investment – particularly if you have adolescents in the house!

Do you have a concern or are worried about someone? Whether it's regarding someone from church or the wider community, please give me a call or email me, even if you're not sure that it's a safeguarding issue. Please don't hesitate to get in touch. I'm here to listen, offer support where I can and help our communities.

DONATE TO THE BLACKBOURNE TEAM
